Circular No: 02 -JKIDFC of 2022

Dated: 19 -07-2022

Subject: Uploading of latest Geotagged images with current bills on JKIMS Portal.

JKIDFC, while scrutinizing invoices, observed that old bills and old photographs are being uploaded on the portal while raising invoice for the payment, which depicts that the bills are being delayed at the level of nodal officers.

Accordingly, it is impressed upon all the Nodal Officers to uploaded the latest Geo-tagged images of the project which are not more than 02 (two) months old and latest bills commensurate with the work done while raising invoice on the JKIMS Portal for payments.
