## Sports Infrastructure Projects

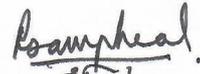

6. Various Sports infrastructure Projects including Construction of Pre-fabricated boat shed for water sports and equipment for Rowing, Rafting and Kayaking cum Canoeing which are of public importance were also placed before the High-Powered Committee for consideration, however some of these projects were short of basic requirements like technical sanction, Accord of Administrative Approval etc.

8. Further 16 number of projects of Public Works Department (R&B), and the Higher Education Department have also been cleared which have not got Administrative Approval (AA) yet but are languishing.
